

Why Does the US6370629/EP0997808A3 Patent Fraud “prevent proper operations of the UN Security Council”?

Permanent and Non-Permanent Members

The Council is composed of 15 Members of which 9 must vote affirmatively with no VETO's to pass anything:

- five permanent members: [China](#), [France](#), [Russian Federation](#), [the United Kingdom](#), and [the United States](#),

<ul style="list-style-type: none">• and ten non-permanent members elected for two-year terms by the General Assembly (with end of term date):	
<ul style="list-style-type: none">• Bolivia (2018)• Côte d'Ivoire (2019)• Equatorial Guinea (2019)• Ethiopia (2018)• Kazakhstan (2018)• Kuwait (2019)• Netherlands (2018)• Peru (2019)• Poland (2019)• Sweden (2018)	<p>All NATIONS in RED are incapable of Voting under Article 27(3) in “any matter involving the operations of a War Crime or other Commerce related matter where a COMPUTER USING EP0997808A3 or US6370629 are used illegally”. This simply means “Any use of a Computer in those nations today”. War Crimes include those Nations as signatories to the ROME STATUTES section 8, 2(b)(vii) and other Property Conversion related sections of the Rome Statute itself.</p> <p>Finally, the same is true under the UN's Standards for Property Related War Crimes under the umbrella of the ICJ's operations and the Permanent Arbitration Tribunals operations at the Peace Palace.</p>

Other Nations affected

Additionally AUSTRALIA, BRAZIL, CANADA, JAPAN, REPUBLIC OF KOREA, and SOUTH AFRICA, are like the EU, toxified by illegally filed and abandoned instances of US6370629 in those jurisdictions. The US's complicity in covering up those criminal antitrust matters, and the unlawful use of that Intellectual Property in those Nations or in facilitating the sale or use of weapons using the IP or Energy Sales emanating from or through those Nations, causes a further impact to them.

In the case of the EP0997808A3 Patent Fraud, it makes any and all Nations of the EU or NATO or that have signed the Rome Statutes who are direct parties to the fraud, incapable of doing business, or even participating in the UN's open Trade Practices and in fact impacts the totality of the UN's capability of operating peacefully and without continuing to participate in those Ongoing Frauds.
